Local interior design firm Bainbridge closed its doors for a full day on Dec. 12 to give a North Portland family a very special homecoming.

Bainbridge staff, from left, Jennifer Barker, Rachel Schubert, firm founder Andrea Bainbridge and Sermin Yesilada worked with Portland Habitat for Humanity's Women Build Program to build a home, located at 6627 N.E. Mallory St., for a single mother and her three boys. The home will be ready for occupancy in January. The Women Build program recruits women of all ages and skill levels to plan and build affordable homes for low-income families. All of the homes are built with all-women teams of crew leaders, volunteers and trades women. – Nathalie Weinstein
