## **Bainbridge. Adds Two Designers to Staff**

*Portland, OR...* The award-winning design, planning and project management firm of **Bainbridge.** has added **Kelly Young, Senior Designer, and Marisa Baker, Designer** to their professional staff.

**Young, Senior Designer**, brings to clients over seven years of design and project management experience. She earned her Bachelor of Arts in Interior Design from the University of Wisconsin-Stout, Menomonie, WI. Previous to joining Bainbridge, Young worked with firms in Minnesota, Wyoming and Washington. Her portfolio includes educational and healthcare projects. Young is currently leading design teams for various projects with Portland Public Schools, Umpqua Bank, and MultiCare Health System.

**Baker, Designer**, rejoins the firm after serving as an intern during the summer of 2012. She earned her Bachelor of Interior Architecture with a Minor in Architecture/History of Art from the University of Oregon, Eugene, OR. Baker is currently a team member on projects for Umpqua Bank and Portland Community College.

**Bainbridge.** was founded in Portland, Oregon in 1983. The firm maintains a diverse portfolio of public and private projects in the financial, education, healthcare and commercial markets serving clients in Oregon, Washington, and California.
